

Washington, DC – Following a House Democratic Caucus vote today, Congressman Bruce Braley (D-Iowa) released the following statement.

“As the tax cut package takes shape, I want to reiterate my support for a tax cut extension for every American family on incomes up to \$250,000. I continue to fight for an extension of unemployment benefits, especially during the holiday season. I remain extremely concerned that extending Bush’s tax cuts to the wealthiest 2% of Americans will explode the deficit.”

“I continue to fight to cut taxes for Iowa’s families and working to ensure our future generations are not saddled with extreme debt. I look forward to reading the legislative language produced on the bill to make a firm decision on these provisions.”
